You have 30 minutes to do this task.

You have received a letter from your English-speaking pen friend Andrew.

...My dad bought me a laptop yesterday. It's cool! Now I can play computer games everywhere! But it drives my mum crazy. She says that all computer shooting games are stupid.

What do teenagers in your country do in their free time? Do you like or dislike computer games and why? What do you use computers for?...

Write him a letter and answer his 3 questions.

Write 100-120 words. Remember the rules of letter writing.

Dear Andrew!

I am writing to you about computer games. How is your mum and dad?

My Mum bought me a laptop last year. It is great! Now I can play computer games everywhere! I love play computer games. My favorite game is «Need for speed». It is my hobby. My mum and my dad play computer games, too. Teenagers in my country dislike computer games but they love surfing in the Internet.

Well, I must finish now because I have got a test tomorrow. Do you like to travel? Why? I must go in bed.

All the best,

Anton Ivanov.

Dear Tom,

Thanks for your letter. It was lovely to hear from you.

You asked me about independence from parents. Well, in Russia opinions are different.

Personally, I don't want to live alone as I don't have enough money. And yes, it's easy to rent an apartment for everyone, but only if you have money.

Do you like to travel? Do you like to travel with your parents or your friends? What countries did you visit?

Well, I have to go now. I promised my Mom to clean the bathroom

Looking forward to hearing from you soon.

Best wishes,

Masha
